RE: Getty Mineral Resources, Inc.
Mercur Canyon Project
ACT/045/013
Tooele County, Utah

Dear Steve:

I am gathering together a list of points I would like Getty Mineral Resources, Inc. to address before approval is given. If there is anything I should be aware of from your end I would appreciate the information. If there is a definite lack of material or data that you perceive that I may obtain, please let me know. I would like to pull this together as soon as possible and will look forward to hearing from you within five days should anything irregular occur.

Your help or suggestions regarding communication and mutual cooperation are solicited to ease me into my new position here at the Division of Oil, Gas and Mining. Thank you.

Sincerely,

THOMAS N. TETTING
ENGINEERING GEOLOGIST
